Oilfield Water Installations Explained to Town Council

Satisfactory continuation of the town's water supply is a matter of concern for Town Council which is now awaiting results of the study undertaken by the engineering firm of Underwood, McLelland and Associates.

Council engaged the firm last summer and its representative Mr. Ken Korchinski was in Drayton Valley last Thursday to report verbally on progress of survey which is expected to be ready in a week or two.

Faced with the possibility of perhaps having to look for a source of water other than wells, Council, accompanied by oil company representatives, Mr. Korchinski and Town Engineer Bill Tuttle, made a tour of oilfield water installations Thursday for a first-hand look at facilities serving the oil industry.

After a short visit to one of the town's producing wells the tour moved on to Mobil Oil's Westbank plant where Mr. Don Bester and Mr. Jack O'Rourke explained the processes used to obtain water from the North Saskatchewan River and its treatment before use in the oilfield.

Second stop was made at Imperial Oil's Berrymoor water plant where Mr. Fred Pearson explained the process, then back across the river to Amoco's Rocky Rapids plant and description by Mr. Larry Kane and Mr. Roman Kowal.

A long-range plan, Mr. Korchinski said, appears to favor the North Saskatchewan for the town's water supply and inspired Council's interest in the oilfield water supply processes. The possibility of additional or new wells will be covered in the report, he said.

The present town water supply comes from five producing wells in the south-western area of town. The failure of one or a very heavy demand such as summer lawn watering, can put the supply in jeopardy.

Meeting in regular session during the afternoon, Council discussed the problem only briefly and will await the arrival of the survey before embarking on a more comprehensive study.

Senior Citizens Name Officers

Annual meeting of the Drayton Valley Senior Citizens Club was held in the Elks Hall on Friday, January 29th with forty-nine members present. Fourteen new members were welcomed to the club at the meeting.

Mr. E. Hines was re-elected president and Mr. L. Miller re-elected secretary. Directors are C. Reich, L. Herndon, F. Duckett and M. Malaney.

Committee reports were heard as well as progress on the Purple Pansy Senior Citizen Home.

Music for entertainment was provided by Mr. E. Erickson. A delicious lunch was served by the Royal Purple to conclude a pleasant evening.

District Council Plans 4-H Events

The Parkland 4-H District Council held a meeting on January 25th at the Smithfield Hall. A large group of club representatives turned out to discuss the various activities being undertaken by the council for the coming year.

Again this year it was decided to break up the council area into east and west for public speaking competitions in the semi-finals. Mr. Rick Andrews, 4-H Specialist is to decide where the dividing line between east and west will be. Each end is to find a suitable place and date for the competition, keeping in mind that the east half have to meet the west half and that Northwest Region finals will be held on April 23rd in the Spruce Grove Serplex. Further points regarding this competition are to be discussed at the Regional meeting to be held at Spruce Grove on February 8th.

The Valentine Dance sponsored by the clubs in the council and this year hosted by the Spruce Grove club will take place on February 12th at the Spruce Grove serplex. It is hoped that members are selling as many tickets as they can, as the money made on this project goes entirely to provide extra facilities at the Crippled Children's Camp at Lake Isle.

Arrangements have been made by Mr. Dave Case to have the Council curling and Bowling to take place in Drayton Valley on February 21st, beginning at 10:00 a.m. From those members partaking in the sports there, two rinks of curlers will be picked to go curling in the Northwest Region Curling Bonspiel at Thorhild.

The possibility of having a council interclub rally was discussed. This year it was decided to have the rally after all the public speaking had been done. This would place rally time very early in May and the place would likely be Evansburg.

Another suggestion for interclub activities was the suggestion of a picnic during the summer or some activities between only two or more clubs so the members would get to know one another better. Exchange trips were discussed. There is every likelihood that some trips or other will be undertaken again this year as was last year. These are to be more fully discussed at the Regional Annual meeting.

The Duffield Beef Club members invited any other 4-H members interested in joining them at their skating party to take place very soon.

In regards to activities by club members at camp He Ho Ha, the 16A Tractor Club members are to overhaul the tractor before summer activities at the camp begin and the Sundance Garden Club members are to paint the wagons that go to make up the train. As soon as weather permits a committee of three adults are

Department of Youth Representative Here

Starting Tuesday, February 2, 1971 Darwin Park, the District Representative for the Department of Youth of the Provincial Government of Alberta will be in Drayton Valley at least one day per week. Mr. Park will be working out of the Drayton Valley Recreation Office. The purpose of having a District Youth Representative in our area is to make known to the public the services available from the Department of Youth and to bring those services to the different organizations and agencies throughout the area in question. Mr. Park has been working out of Stony Plain since June 1969 in the capacity of a District Youth Representative.

The office hours for the District Youth Representative will be from 9:00 a.m. to 5:00 p.m. each Tuesday. Mr. Park will come to Drayton Valley on Monday evening and stay over until Wednesday morning. On both Monday and Tuesday nights he will be available to attend meetings with any persons or organizations interested in the Department of Youth services.

The Department of Youth consists of three branches, the District Youth Representatives Branch; the Recreation Branch; and the 4-H and Junior Wardens Branch. The job of a District Youth Representative is to extend the Department of Youth programs and services to the community.

He works with the community Recreation Department as a development worker with an emphasis on Youth affecting programs and helps with the formation, administration and planning of local groups. He also can keep the community informed as to the resources available in the district as well as provide for training of volunteer leaders thereby increasing the effectiveness of the existing youth programs within the community Recreation field.

The possible roles that a Department of Youth Representative might play in carrying out his responsibilities are:

- acting as a focal point for Departmental programs,
- evaluating present Youth Programs in a community and offering assistance where and when necessary.
- being part of any planning team which is considering the formation of a new youth program in an area.
- informing the community of the needs and problems of youth through speaking engagements, conferences and consultations, assisting communities in the training of their youth leaders and various recreational spheres and
- offering assistance, advice and support to persons in charge of Recreation Programs as well as individuals within the community.

In a word he brings the Department of Youth to the community.

The services available to the public through the Recreation Branch of the Department of Youth are many and varied. They cover recreation, education, men's athletics, women's athletics, area and facility planning, supervising community recreational services, supervising outdoor education programs and making available at all times seven Recreation Consultants throughout the province.

The 4-H and Junior Forest Wardens Branch offers leadership development programs, resource people and materials program supervisors and at least seven 4-H specialists.

Other services offered communities through the Department of Youth are research, the Alberta Service Corps, youth agencies consultants, youth employment service programs, leadership development in special areas and general program information.

For details on the service of the Department of Youth and how a District Youth Representative can bring those services to a community, drop in and meet Darwin Park. He will be happy to discuss your problems and offer whatever help he can.

4-H Workshop At Duffield

A 4-H workshop for leaders and junior leaders will be held in the Duffield Community Hall on Thursday, February 11th. The workshop will run from 5:30 to 10:30 p.m. with registration from 5:30 to 6:30 p.m.

A smorgasbord supper will be held at 6:00 p.m. sponsored by the Gulf Oil Ltd.

Some of the topics to be discussed include the role of the junior leader in a 4-H club; responsibilities and working relationship between leaders and junior leaders; increasing the effectiveness of club operation by coordinating leadership skills of leaders and junior leaders.

Mr. Rick Andrews, Regional 4-H Specialist with the Department of Youth, asks that clubs contact him by February 8th with information about members attending the workshop.

Drayton Valley Defeats Killam

Drayton Valley Men's Basketball Team played at Killam last weekend with Drayton Valley winning 71 - 28.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Baller, of Forestburg, has been visiting her son-in-law and daughter, Mr. and Mrs. George Gustafson, at Rocky Rapids, this winter.

Mr. William Johanneson has been elected secretary-treasurer of the Urban Secretary-Treasurers Association.

Mr. and Mrs. Ralph Lane are leaving to live in Calgary where Mr. Lane has been transferred by his company. Mrs. Lane will be missed by her grade two class and her fellow teachers.

Mr. Ron Hemmingway is acting postmaster at Wainwright where he is filling a vacancy caused by the death of that town's postmaster. During his absence, Mr. Larry Nelson of Valleyview, will assist Mr. Bright.

Mrs. George (Agnes) MacDonald passed away in Red Deer on Thursday, January 28th. It will be remembered that Mrs. MacDonald was a clerk in Stedmans for a time.

Mr. and Mrs. Ted Hutchinson will be making their home in Edson in future. The Hutchinsons have been in Pincher Creek but find they much prefer Central Alberta.

Miss Nina Schurman was home to spend a weekend with her parents, Mr. and Mrs. R.C. Schurman. Nina is studying Commerce at the University of Alberta.

Best wishes for future happiness go to Mr. and Mrs. Garry Hinecker, nee Bonnie McGaughey, who were married in Edmonton last Saturday.

Mr. and Mrs. William Robinson (Billy and Irene) have just moved into their lovely new farm home. On Saturday evening relatives and friends came for a house warming. When Irene asked if she was really surprised she replied, "When someone arrives and snowplows your yard on Saturday afternoon you get somewhat suspicious".

Best wishes for many more happy wedding anniversaries go to Mr. and Mrs. A.C. McKillip and Mr. and Mrs. Nick Urchysyn who celebrated last Friday.

The engagement of Miss Bonnie Mastre, daughter of Mr. and Mrs. Morris Mastre to Mr. Rob-

ert Terry of the United States Armed Services, has just been announced.

It is a pleasure to hear that Mrs. Fritz Joesting is making a splendid recovery after her operation.

Tommy Tucker was able to leave hospital for a few hours on the weekend to visit his home. It will probably be a matter of weeks before he is discharged.

This year it will be my duty to report Women's Institute news for this paper.

As the wife of a Lion (Fellon or Lionette) it is my privilege to read the sparkling bulletins sent to Lion members from time to time. I have been wondering if Lion Ritchie Wood would accuse me of plagiarism if I were to borrow some of his jokes for my column.

If you have heard of news which you think should be reported please give me a call at 542-3451.

Summary Regular Meeting Of Parkland Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Tuesday, January 26, Minutes as recorded by Secretary-Treasurer and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

The minutes of the last regular meeting were adopted subject to clarification as follows; that the resolutions pertaining to the operation of boats on small lakes are recommendations to the Department of Lands and Forests and not intended to be implemented by the County Council.

The financial statement for the month ending December 31, 1970 was accepted.

Request for placement of signs on the Lodgepole road at the Violet Grove corner to designate the Hamlet of Violet Grove, was received from the Violet Grove Community League. Referred to the Public Works Department for placement of satisfactory signs.

AGREEMENT FOR USE OF MOBIL OIL ROADS

The County has requested to enter into an agreement with Mobil Oil Canada Ltd. for use of the two miles of private road south of sections 11 and 12 -49-8-5.

Mobil Oil Canada Ltd. has requested that the County consider including the one mile of road

south of section 7-49-7-5 in the agreement.

It was agreed that this matter be tabled for further investigation.

PUBLIC WORK TO BE UNDERTAKEN

Recommendation as to public work to be undertaken covering brushing, grading and graveling one mile of road south of section 29-53-5-5 at a total cost of approximately \$14,000.00 was approved subject to inspection by the Public Works Committee.

Recommendation as to public work to be undertaken covering summer, winter and general maintenance for the year 1971 in the amount of \$385,000.00 was approved.

Letter dated January 19th, 1971 from the Department of Highways and Transport was presented to the Council requesting whether the County has any requirement for a 33 foot strip of land on the north boundary of the N.W. 2-53-2-5. This strip of land was deeded to the Province for road purposes, in the year 1912.

It was agreed to advise the Department of Lands and Forests that the County does not require this strip of land and same may be cancelled and reverted to the quarter section.

Request for construction of the road between sections 24 & 25-50-7-5 was received from Mr. Peter Pastusichuk of Tomahawk. Referred to the Public Works Committee for inspection.

Mr. E. Pink, secretary-manager and Mr. E. Miller, Councillor for the Town of Stony Plain and G. Lishka from Associated Engineering Services Ltd. were present at the meeting regarding the proposed relocation of the Town of Stony Plain sewage lagoon on the E 1-53-28-4.

This matter was referred to the Development Control Officer for handling and processing in the usual manner.

Mr. Louis B. Arndt of Stony Plain was present at the meeting on behalf of the Stony Plain Branch of the Royal Canadian Legion regarding the location of the Legion Hall.

Mr. Arndt inquired whether the County would consider selling a portion of the land that the Legion Hall is now located on.

Mr. Syd Moore, Parkland Regional Recreation Director was present at the meeting in connection with the Chicacoo Lake recreation area and picnic shelter. Mr. Moore presented a list of recommendations for the improvement of this area.

It was agreed that Mr. Moore be requested to submit an estimate of the cost of the proposed improvements.

The meeting adjourned for lunch at 11:50 o'clock a.m. and reconvened at 1:00 o'clock p.m.

Mr. S. Hodgson of Aberdeen, Groves, Hodgson - Architects was present at the meeting to discuss a proposed addition to the County Office building.

Mr. Donald Nixon of Edmonton called on the Council in connection with his offer to purchase the S.W. 1/4 & N.E. 1/4 2-54-7-5. His previous offer was refused for the reason that it was too low.

It was agreed that these lands be not sold at this time.

Letter dated January 19, 1971 from the Department of Highways and Transport was presented to the Council advising that the owner of the S.W. 3-51-26-4 has requested that road plan 906 P.X. in the S. 1/2 3-51-26-4 be cancelled and reverted back to adjacent lands.

It was agreed to recommend that this road be not cancelled for the reason that it provides public access to the North Saskatchewan River.

It was agreed that it be suggested to the Department of Highways and Transport that they purchase the portion of the S.W. 3-51-26-4 between road plan 906P.X. and the river and develop it into a public camp ground.

TECHNICAL SCHOOL FOR COUNTY FOREMEN

Notice received that Union Tractor Ltd. is sponsoring a technical school for Municipal and County Foremen on March 18th and 19th, 1971.

It was agreed that the following County employees be authorized to attend this school: Stan Livingston, Shop Manager; Jacob Trout, Shop Foreman; Edward Webber, General Foreman; and Robert Pezzot, General Foreman.

The 1971 Edmonton Regional Planning Commission Budget and Requisition in the amount of \$2,400.00 was accepted.

AMBULANCE AGREEMENT
It was agreed to enter into an agreement with other Municipalities to provide ambulance services in the west portion of the County. The agreement is to be in accordance with the proposal presented by the Committee and the following participating authorities: County of Parkland No. 31, County of Leduc No. 25, Town of Drayton Valley, Village of Breton, and Village of Warburg.

Notice received from Texaco Canada Limited that effective February 15, 1971 the price of fuel oil and gasoline will be increased by .01¢ per gallon.

Annual Meeting Women's Institute

The January meeting of the Women's Institute was held at the home of Mrs. George Gustafson on January 25th. Seven members were present, Mrs. Baller and Mrs. Rees were guests.

The following slate of officers was elected: President, Mrs. Roy Burrows; Vice-President, Mrs. George Gustafson; Secretary, Mrs. Dudley Edmunds; Treasurer, Mrs. Glen Bowen; Publicity, Mrs. H.T. Deby.

Mrs. Hammerlind reported the latest development on the rest room for women and children in Drayton Valley.

A brief resume of the branches' activities show that several things have been accomplished. The Women's Institute Girls' Club under the leadership of Mrs. Leslie Brown and Mrs. Ron Hemmingway is flourishing. A donation was made to the Alberta Women's Institute office fund in memory of the late Mrs. Fred Cull. The Annual Flower Show was quite successful both in the quality and quantity of the exhibits. Talks and demonstrations of interest to women are being planned for this year's meetings. Visitors and prospective members are most welcome.

LIBRARY NEWS

This week we should like to draw your attention to a book that belongs in the "Overlooked Department". "Strangers on a Bridge". The case of Colonel Abel was written by Colonel Abel's lawyer, James B. Donovan. It will be remembered that the F.B.I. caught and charged this man for spying for the Russians. Feeling against Russia was running high in the United States probably because of the infamous Rosenberg case.

Mr. Donovan was appointed by the crown (in the United States it is probably called the state) to defend Colonel Abel and this he does to the best of his ability. The book ends when Abel is exchanged for Powers, the American U-2 pilot captured by the Russians, on the Glienicke Bridge in Berlin. Better than fiction.

The National Geographic for February features the following: New Orleans, Australia's pacesetter, Victoria, the crab that shakes hands and an article by a man who lives with the Eskimo.

There is no charge to use the library. Please feel free to come in and look around and make use of any material available. To take books away the charge is one dollar for adults and fifty cents for students for a one year period. Citizens over seventy are given free borrowing privileges.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

Alberta's Conservatives have set themselves an election course which they hope will topple the 35-year-old Social Credit government this year.

At the conclusion of their recent convention in Calgary, party leader Peter Lougheed said he could see solid indications that his opposition movement enjoys broad support from the electorate.

"Five years ago, I was concerned because it was a middleclass, late 30s to early 40s urban party" the 42-year-old lawyer told reporters as 1,764 delegates and observers headed for home after the weekend meeting. "That has changed."

"Our supporters are now equally divided between urban and rural areas and cover all age and occupation groups. We also have a large number of women members," he said.

Tory officials shun statistics on party memberships. Mr. Lougheed himself refused to say how many Albertans hold the little blue cards signifying their party affiliation, although estimates range as high as 20,000.

The Breakthrough "71" convention, with its noisy Saturday night rally, provided some support for Mr. Lougheed's contention about the party mix. All 56 nominated Conservative candidates were introduced to the happy, placard-waving audience of 1,000; and most rural candidates brought

fairly large delegations to demonstrate their support.

It was an enthusiastic convention, but a difficult one to assess. What the Tories are hoping is that the optimism generated by the hoopla will be transferred to local constituency associations and ultimately to the electorate.

Television cameras picked up some of the sparkle at the annual meeting. Mr. Lougheed himself delivered a powerful address which was shown to Edmonton and Calgary-area audiences.

The convention also made a movie which is likely to be much in evidence after Premier Harry Strom calls the election for late May or early June. Tory-hired filmmakers lugged their equipment from session to session, capturing the impressive event

for political use later.

The new Tory technique of eliminating costly banquets in favor of free-wheeling, group-participation rallies will also be seen during the impending campaign. Mr. Lougheed wants to hold one in northern and one in southern Alberta during the election struggle.

For the governing Socreds, the Tory activity poses a problem. Should the government party play the same game by converting its planned spring policy convention into a political happening? Or, should it follow a more staid course by stressing the more serious aspects of policy discussion?

The decision will likely be weighed within the next few weeks while the legislature is in session. If the Tories succeed in transferring the convention momentum to the constituency level, the Socreds will have to review their strategy and perhaps even change it.

The ball is back in the Socred court, as Alberta waits to see what election plums are stuffed into the Throne Speech to be read February 11th in Edmonton.

Report From Parliament Hill

By Allen Sulatycky, M.P.

The introduction of the Bill which will set up the Canada Development Corporation was long-awaited.

When Finance Minister Benson presented the Bill for first reading in the House of Commons on Jan-

uary 25th, 1971 at least eight years of planning for this major Government incentive lay behind the proposal.

The Bill provides for the establishment of a large private corporation to -- help develop and maintain strong Canadian-controlled and Canadian-managed corporations in the private sector; and to provide greater opportunities for Canadians to invest and participate in the economic development of Canada.

The Corporation will help shape and secure future Canadian development. It will be a large-scale source of capital to create major new enterprise. It will join others in acquiring and rationalizing existing companies where competitiveness may be improved by merger, amalgamation or other corporate arrangements. In helping to bring about these changes it will reduce the risks of an undesirable degree of foreign control of the enterprises concerned. Its activity will involve close relationships with the

Dear Sir:

Has anyone been to our local hospital lately and slipped or fallen on the front steps?

I am on crutches and have slipped on these steps as they are just like glare ice in cold weather.

I have never seen anything so treacherous at a public building in my life let alone at a hospital. This smooth cement should be covered in wet or cold weather with expanded metal to relieve this hazardous condition.

I surely hope our hospital authorities will heed this suggestion before someone is seriously injured.

Dear Sir:

Anyone who viewed the CBC's "Take Thirty" program on November 5th witnessed a barbaric instrument of torture -- the leg-hold trap. It is still used in the "harvest" of Canada's annual fur crop. The animals caught in the leg-hold suffer excruciating pain, often for days and weeks, eventually dying from exposure, starvation or predators unless the trapper arrives first. Sometimes they escape by chewing off their own foot.

There is an instant-killing trap on the market proven to be humane and efficient, and suitable for many of the fur bearers. The Canadian Association for Humane Trapping is currently assisting in a program at McMaster University to improve and develop humane alternatives to the leg-hold. It is also conducting a trap exchange program to introduce trappers to the more efficient instant-killing traps.

The ultimate aim of the CAHT is legislation outlawing the use

of inhumane methods of trapping. Anyone who would like to add his voice to theirs can get further information from the Alberta branch of CAHT, Box 9, Site 13, R.R. 2, Calgary 2.

Chamber to Die?

The Chamber of Commerce, an instrument of community progress from coast to coast, appears to be gasping its last breaths in Drayton Valley.

Four members turned out for the annual meeting scheduled about a week ago. Surprisingly it was granted another reprieve and the meeting rescheduled for this week. Unless far, far more interest is shown the organization might just as well be allowed to die, or at least left dormant until its community worth is realized.

We believe most communities are strengthened by an active, progress-oriented Chamber or Board of Trade. With support of its membership the Drayton Valley Chamber could be effective, but without support is next to worthless.

We see no value in continuing the organization in name only. But if it dies, the community will have lost an organization that could have provided the incentive and leadership for the building of a better town.

Everybody Talks About It

Weather, (and with good reason) appears to be occupying the major part of conversations as Albertan's struggle through what could be the longest and snowiest winter in many years.

Early fall snow storms gave way to early winter snowstorms, then mid-winter snowstorms -- and it's still coming down. A redeeming feature is the obvious lengthening of daylight hours as we begin moving toward spring.

Unfortunately we have no record of the amount that fell on Drayton Valley -- which brings up another point -- why some interested resident of the community won't undertake the hobby job of recording weather.

The community has had weather recorders in the past working under Department of Transport jurisdiction and were able to supply interesting statistics regarding temperature and precipitation.

If D.O.T. approval (and equipment) could again be obtained it should be a fascinating job for someone interested in weather, who could also provide an informative community service.

business and financial community.

Able and experienced entrepreneurs will direct the corporation's operations to areas of critical importance in economic development -- to high-technology industry, to resource utilization, to northern-oriented companies and to industries where Canada has a competitive advantage.

Simply put, the corporation will be a giant mutual fund started by the Government, with the purpose of investing the funds into sound Canadian businesses. The Government will initially hold all the shares, but they will eventually be sold to the public. No individual shareholder will be allowed to hold more than 3% of the shares, except for the Govern-

ment which will be allowed to hold no less than 10%.

With some imagination and initiative the Canada Development Corporation could prove to be an effective weapon in the fight to control the Canadian economy by Canadians, as well as providing average Canadians with an opportunity to hold an interest in a wide range of Canadian industries.

EVANSBURG NEWS

After the extreme cold weather we had around the holidays, the rather reasonable mild spell we are now having is very welcome, although the snow seems to be getting several people down.

The Cub Pack has started meeting again as the weather has moderated. Hockey players in the area, especially those in the minor league have been having a busy week as this is minor hockey week. Due to icy road conditions one or two games have had to be cancelled or postponed.

The students at the high school held a Sadie Hawkins Day at the school on January 22nd and in the evening held a dance in the auditorium.

On January 21st, the United Church Ladies of Evansburg, hosted a "Meet the District Home Economist" coffee party held in the basement of the United Church. About thirty ladies turned out in spite of very chilly weather to meet Mrs. Georgiana McDavid, the District Home Economist serving the Evansburg area. Mrs. McDavid was accompanied by Cleste Miller from the Edmonton office. Mrs. McDavid explained to the ladies present what fields she is trained in, in order to give help to the homemakers of the area. Some of these fields are clothing and textiles, food and nutrition, interior design, home management and consume education. She also explained that a course on any of these topics will be planned on request of any group interested. High on the planning list was a program called "Mother's Day Out Program". A planning meeting for this will take place soon. Time and place will be announced shortly. After her talk, Mrs. McDavid visited with each of the ladies present during coffee and cookie time. Many thanks to the ladies of the UGW for hosting such a worthwhile project.

Members of the Evansburg-Gainford local of the United Grain Growers held their annual meeting recently. This year the meeting was preceded by a banquet catered to by the Women's Auxiliary to the Canadian Legion. Following the supper, a guest speaker from the provincial government spoke to the farmers on farm assessment procedures. Local representative, Sam Lemko, from Onoway who had gone to the convention in Winnipeg gave his report to the shareholders. About 100 guests attended the dinner meeting and it is hoped to have this every year. Organizer was local UGG agent, J. Walton.

If any of the readers have been wondering what a student driver car is doing on the roads in the area, here is the answer. Twelve students from the high school are taking driver training lessons from Mr. Mortenson, high school teacher. The course lasts for six weeks, with noon hour lectures and actual driving time after school hours. After this course is finished another twelve students will be taught how to

drive.

A welcome is extended to our new district agriculturalist who has come to reside in Evansburg and help the farmers with farming problems. Mr. Bob Winchell was raised in the Spirit River

District and attended school there.

He attended the University of Alberta where he obtained his BSc in Agriculture in 1966. After this Mr. Winchell was DA in Athabasca for three years before

going to UBC to begin work on his Masters Degree, on which he is currently working.

Mr. and Mrs. Winchell live in Evansburg where Mr. Winchell holds office day on Wednesday and travels to district points and farmer's homes other days. Mrs. Winchell comes from the Camrose area.

Mr. Winchell has office day in

Edson on Mondays. He also announces that a welding course will be held in Wildwood on the week of March 22nd to 26th. This course is designed for beginners and for those who want to improve their skill at either electric or acetylene welding. Only a limited number of applicants can be accommodated. Applications are now being taken at the office.

KEEPPHILLS NEWS

Debbie Lauder returned home on Monday after spending ten days in the Stony Plain hospital.

Della Tattersall and her five children have all been down with the flu. Edward had left to return to work before the family took sick.

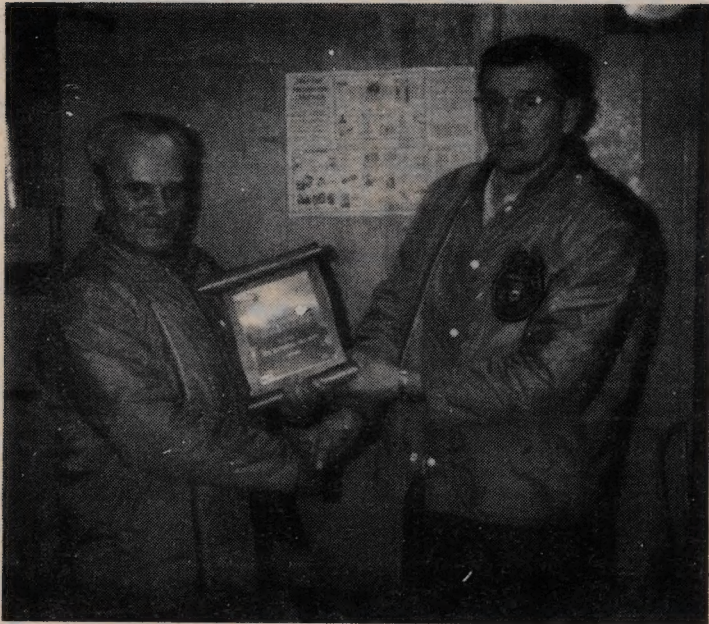

Congratulations to Alma and Charlie White on the birth of a baby boy born January 21st and weighed 8 lbs. 4 1/2 ozs at the Stony Plain hospital.

About 125 members and guests attended the 4-H banquet on Saturday night at the Keepphills Community hall. Mr. Lowe and Mr. Dunn were on hand to show some very interesting films; both of agriculture and the He Ho Ha Camp at Lake Isle. Several awards were given. Charlie Porter receiving the Grand Champion and Orville Cole Reserve Champion.

The four curlers from this area seem to be having good luck for the time being and won their last several games at Seba Beach.

Teresa and Jim Miller of Edmonton visited at Della Tattersall's on Wednesday afternoon.

Crystal and Jimmy White have been staying with Mr. and Mrs. A. Vanderwell while their mother is in the Stony Plain hospital.

Mr. Forecast (L) is shown here receiving a plaque for past service from Entwistle Fire Chief Helmer Hofmann.

Hubert Forecast Retires From Entwistle Fire Dept.

On Tuesday, January 19th at the Entwistle Fire Department meeting a presentation was made to Hubert Forecast on the occasion of his retirement from the department. Fire Chief Helmer Hofmann presented a plaque to Hubert.

Mr. Forecast has been on the volunteer fire department for 11 years. In 1959-60-61 he attended schools in connection with the aspect of fire in the line of control, prevention etc. Approximately 45 men and boys have been trained under his leadership. Our volunteer fire department of young boys is widely known and has been praised on many occasions. All this was due to the thorough

training under Mr. Forecast. He will be greatly missed but will be available when needed.

Many thanks Hubert for a job well done, you will always be remembered. Hubert expressed his thanks to all for their thoughts of kindness to him.

It was agreed that this notice be received for information and Texaco Canada Ltd. be advised that Council is disappointed that prices should change during the course of a tendered agreement. INSTALLATION OF WATER INTAKE PIPES IN WABAMUN

Associated Engineering Services Ltd. has advised that two quotations were submitted for installation of water intake pipes in Wabamun and recommended that the lower quotation from Fernhout Mechanical Ltd. for the amount of \$2,096.00 be accepted.

It was agreed that the recommendation be accepted.

Offer to purchase the E. 1/2 30-53-2-5 for the sum of \$6500. was received from Mr. A. F. Olson of Carvel. It was agreed that this offer be not accepted for the reason that there is no access to this land.

Notice received that an Agriculture-Industry Conference is being held in Calgary on Friday, January 29, 1971.

It was agreed that all members of the Council and the Development Control Officer be authorized to attend this Conference with regular rate of pay and expenses.

The Edmonton Area Industrial Development Association submitted a list of used office furnishings for sale as a result of having occupied new offices and therefore having no more use for certain items of furnishings.

It was agreed that the Secretary-Treasurer be delegated to view these furnishings and determine whether any of these items would be of use to the County.

It was agreed that the next regular meeting of the Agricultural Committee be held on Saturday, January 30, 1971 for the reason that members of the Council are attending another meeting on the regular Agricultural Committee Meeting date of Friday, January 29, 1971.

Request for payment for extras to the county building in Drayton Valley was received from C.J. Woods Sales Ltd. Statement of account in the amount of \$718.51 for work done to the County Building in Drayton Valley other than what the contract called for, was presented to Council.

It was agreed to table this request for payment and refer the matter to the Building Committee to inspect the building for any deficiencies.

It was agreed to call for tenders for purchase of a 2 cu. yd. capacity front end loader. EMPLOYMENT OF TRUCK DRIVERS

It was agreed to employ two full-time drivers for the two trucks being purchased, with applications from the present employees to be considered first.

By-law No. 3-71 providing for the temporary borrowing of \$1,500,000.00 during the year 1971 for ordinary County purposes received three readings and finally passed by unanimous consent of the Councillors present.

It was agreed that the Reeve and Secretary-Treasurer be authorized to sign a promissory note for the immediate borrowing of \$450,000.00 from the Government of the Province of Alberta Treasury Branch in Stony Plain for ordinary County purposes.

Messrs. William Albrecht and Hans Strass of Stony Plain were present at the meeting and presented to Council a petition requesting construction of the road South of Sections 14, 15 and 16-53-1-5.

This request was referred to the Public Works Committee for inspection and recommendation.

Preliminary Agreement for 42 feet of land for road widening purposes along the north side of the N.E. 34-51-26-4 with compensation of \$200.00 per acre for land and \$75.00 towards the cost of survey was approved. SOCIAL DEVELOPMENT WELFARE SERVICES

It was brought to the attention of the Council that the Department of Social Development has been giving assistance to residents that are the responsibility of the County without the knowledge of the County Welfare Officer

and in some cases after an applicant has been refused assistance by the County Welfare Officer.

It was agreed that these matters be brought to the attention of the Department of Social Development and to suggest a closer working relationship between County and Departmental personnel.

Councillor Lent reported having received a verbal request from Wabamun Park Officials to close the existing nuisance ground at Wabamun as the park camping ground is being extended in that direction.

It was agreed that the Secre-

tary-Treasurer submit a request in writing to Calgary Power Ltd. for use of an area for nuisance ground purposes.

ANNUAL MEETING DATE

It was agreed that the Annual Meeting of Ratepayers be held on Saturday, March 20th, 1971 commencing at 10:00 o'clock in the forenoon.

It has been brought to the attention of Council that the law requires ratepayers and residents to pay for snowplowing of private driveways.

It was agreed to ask the County Solicitor for direction on this matter.

It was agreed to relocate one fire phone in the Hamlet of Lodgepole from the residence of Mr. G. Schmidt to the residence of the Fire Chief, Mr. D. Bollanatz.

Rebels - Maroons Still Tied for League Lead

The Rebels again moved into a first place tie Saturday night with the Camrose Maroons by defeating the Fort Saskatchewan Huskies 7 to 5. A rough and fast hockey game was seen by the largest crowd of the season, 500 paid admission and approximately 150 Minor Hockey players got in free.

Fort Saskatchewan opened the scoring at 5:50 of the first with a goal by Bill Hays. Frank Novosel evened it up at 10:04 assisted by Frank Roggeveen and Dan Davie. Huskies went ahead again at 11:54 on a goal by Doug Robertson. The second period ended Huskies 2 -- Rebels 1.

The Rebels really turned it on in the second period scoring four goals to the Huskies one. Rebels got goals from Sam Belcourt at 0:20 assisted by Frank Roggeveen; Doug Hall from Henry Hodgson and Sam Belcourt at 0:50. Sam Belcourt got his second goal at 8:32 again assisted by Frank Roggeveen. The Huskies got their only goal of the second period at 12:06 from Bill Hays, his second goal of the game.

Rebels Henry Hodgson got his first of a two goal night at 13:27 assisted by Doug Hall. This ended the scoring for the second period. Rebels 5 -- Huskies 3.

The Huskies came back fast in the third period scoring at 1:50 by McIntyre and Thomlinson at 3:42 tying the game up 5 to 5. Then Lorne Foster in goal for the Rebels shut the door on the Huskies.

For the next 15 minutes it was a slam bang up and down ice affair. Then at 18:14 Henry Hodgson let go one of his patented quick wrist shots to beat goal tender Jim Knox, assisted by Ray LaPointe and Sam Belcourt. Frank Roggeveen stole the puck from a Huskie player at 19:47 and fired it into an empty net as Fort Saskatchewan had pulled their goal tender.

21 penalties were handed out by referee's Ernie Bouky and Fred Mason, 12 to Fort Saskatchewan and 9 to the Rebels.

Sunday's game started out as a

good clean hockey game but slowly worked up to a rough and tumble game again. Rebels opened the scoring at 1:55 on a goal by Rick LaPointe assisted by Ray LaPointe. Then the Huskies scored 3 unanswered goals and the first period ended Huskies 3, Rebels 1.

The Huskies scored again at 2:35 of the second to go ahead 4 to 1. The Rebels came within one goal by scoring 2, one at 18:42 by Frank Roggeveen assisted by Sam Belcourt and scored again at 19:01 by Sam Belcourt assisted by Doug Hall and Wayne Garding. The second period ended Huskies 4, Rebels 3.

At 4:17 Huskies scored what proved to be the winner. Rebels Frank Novosel brought his team back to within one goal at 6:59 assisted by Frank Roggeveen. Huskies scored one more to finish scoring for the game at 18:53. Final score is Huskies 6, Rebels 4.

I think it's a sad day when a hockey player is not given at least a 10 minute misconduct for deliberately shooting the puck at the fans after the whistle was blown. The puck hit a fan and cut him for 5 or 6 stitches. This show of poor sportsman happened on Sunday. I would be very ashamed if this had been a Rebel hockey player. How a referee can let something like that go by I'll never know.

12 penalties were handed out by the people in striped sweaters, 8 to the Rebels and 4 to Huskies.

The following league standings include Sunday, January 31st games.

Datsun 1600 has everything you need to get ahead

Datsun 1600 is designed to get you where you're going as quickly, comfortably and economically as possible.

There's a powerful 96 h.p. overhead cam engine under the hood. It's a rally-winner. Freeway eater. You get all the acceleration you need for passing, all the handling ability you need for parking, and more gas mileage than you ever thought possible.

And that's not all.

The Datsun 1600 is big where it counts. The

inches are on the inside, not on the outside.

It comes loaded with extras that others call options. And it costs around half what you can pay for a big car.

Which is the whole point.

If you're looking for a car that gives you a little luxury, a lot of performance and a great deal of economy, buy a Datsun 1600 and invest all the money you save. It will help you to get ahead. Of the game.

The C.W.L. held their regular meeting of February 1st with nine members and one guest in attendance.

Volunteers are still needed for the welcome committee.

Eva Hennessey, president of the Christian Social Action group gave a report on the home visiting training program which is now being offered by Sister Halder and Pat O'Sullivan of the human resources development office in Edson.

The winners of the ticket raffle in January were \$100. Dr. Cookson, \$25. Mrs. P. Jenkins and \$25. Mr. D. Donnelly.

A nominating committee will be phoning ladies of the parish and ask them to run on the coming executive, please say yes and do your share in this worthwhile organization.

After the meeting we all listened to a very interesting tape by Mrs. Leona Bauman of Sidney, Nebraska on "The Christian woman and her family."

Marjorie (Pebbles) Urkenich spent a few days in the Drayton Valley Hospital having to depart with her tonsils. She is home now convalescing and will be returning to school shortly.

Mr. and Mrs. Bernie Town attended the Alberta Baseball Association meeting in the Canadian Club House in Edmonton on Sunday, January 24th. The Tom Thumb League rule book is now being recognized by the A.B.A. as a league. These are boys between the ages of five and eight years. Anyone interested in organizing a team such as this, call Mrs. Olivien Town at 727-2306.

At this meeting Les Long of Edmonton was elected President of the Northern Zone for the A.B.A.; Fred Skakum as vice president who also holds the position as president for the Alberta Umpires Association; and Mrs. Olivien Town was elected Secretary.

Leo Jensen has returned home from the hospital where he spent a couple of days last week.

past Saturday as the John Oman coached Lakers came from behind in the last minute to score a 21 - 20 victory over the hard lucked 76'ers. Baskets by Ron Barker and Glen Ellery meant victory for the Lakers. High scorer in this exciting contest was Lee Hodgson of the 76'ers with 14 points. Glen Ellery led the Lakers with 8 points.

The second game of the Saturday morning doubleheader was almost a repeat of the first as the Celtics came up from behind but fell one point short for a 12 to 11 loss to the league leaders, the Pistons. In this one Stan Parenteau was too much for the Celtics as he played well and hit for 8 points. Keith Batke led the Celtics with 4 points.

Next Saturday's action gets underway a half hour earlier at 9:00 p.m. with the 76'ers meet-

ing, the Celtics and at 10:00 p.m. the Pistons playing the Lakers. These games will be followed by two Junior High County of Parkland playdowns with the Drayton Valley Junior High girls, the Oopiks and the Junior High boys the Huskies, hosting Entwistle.

Lindale Swine Club Names Candidate

The 4-H Swine Club meeting at Lindale was well attended on January 26th. There are now several new members since the re-organization meeting.

On January 8th the club sponsored a benefit dance for Mr. and Mrs. Cy Young of the Berry-moor district. The Youngs lost their home and possessions on Christmas day.

The assistance and support of two active leaders has been

missed very much. Jr. Leader Les Horsman and Senior leader Mrs. Tom Horsman who have moved out of this district.

A ticket sale for Carnival Queen is being sponsored with Lynn Martin as the candidate from this club. So good luck Lynn on February 27th when the draw will be made at Warburg.

The two members chosen from the club to attend the hog growers convention in Edmonton were Shari Bowen and Nancy Bijou. They spent January 20 - 22 at the Riviera Motor Hotel and enjoyed it very much. Shann taped speeches for the benefit of the other members at home.

An amateur night was decided at the previous meeting, to be held at Lindale school March 13. Admission \$1.00, students 75¢. Fifty percent of the money raised will go out in prizes. Anyone wanting to enter please phone T. Martin at 542-2325.

The meeting was then adjourned and lunch was served and enjoyed by all. Many thanks to Mrs. Bijou.

RAMONA NEWS

We would like to congratulate Mr. and Mrs. Mike Zander of Tomahawk, who celebrated their 66th wedding anniversary on Monday, February 1st. Mr. and Mrs. Zander still live on their farm in Tomahawk and are still active. Their daughters, Elsie Dusterhoft and Ruth Nixon are well known in our district. A hearty congratulations to you Mr. and Mrs. Zander.

Dora Plewis spent the weekend with her daughter and son-in-law Steve and Peggy Lysak and family.

Bonny Kelly is now working in Drayton Valley. Good luck with your new job Bonny.

John Melnyk was home from Nippicla on the weekend.

Ramona is getting ready for their Valentine supper and dance to be held on Saturday, February 13th. Rosaire Parenteau will supply the music.

Pat Grue is home and going to attend school for the second semester.

We would like to congratulate Teresa Grue and Jerry Busenius who will be married in Drayton Valley on March 5th.

MAGNOLIA NEWS

Congratulations are extended by the community to Bob and Nora McCracken who celebrated their twenty-fifth wedding anniversary during this past week. The bride and groom of twenty-five years were honored with a supper and dance in the Gainford

Salisbury Defeats F.M.H.S. Warriors

The Salisbury Sabers were too much for the FMHS Warriors this past Friday as they scored a 49-37 victory over the local high school club. It was a Denisen - McDermick combination that spelled defeat for the Frank Maddock High School.

Ken Dusterhoft did a tremendous job in holding 6'6" Denisen to 3 points in the second half but in doing so had to give McDermick the deep left corner and he took full advantage for a 14 point second half display of devastating shooting; the type of which the high schools of southern Alberta are well known for. In the first half Denisen had hit for 13 points and McDermick 2.

The first half of this game was basketball of the highest calibre as the teams battled each other basket for basket with numerous skillful and coolly executed plays by both sides. It was Denisen vs Barry Swap, Gerald Dusterhoft and Doug Ibbotson with the Warriors holding a slight 23 - 21 edge at the half. The Salisbury club hit fast and hard the beginning of the third quarter and the writing was on the wall. Salisbury with a high school population pushing a thousand meant too much bench strength for the local team to cope with.

The Frank Maddock High School Warriors have won 74 of their past 87 games over the past three and a half years and two of the leading players over this period of time played their last games in the blue and gold in the Salisbury game as they graduate this first term semester. The first is team captain Doug Ibbotson who leads all Warrior players in the team's history with an individual scoring performance of over 1400 points. The other is Ken Dusterhoft, affectionately known as "Dusty" by his team-mates and classmates whose fine play was always a pleasure to watch.

Local Warrior supporters are wondering what effect the graduation of those two players will have on this year's club and the best way to find out is to come out to a potentially exciting game this Friday against their arch County Rivals from the Memorial High School in Stony Plain.

Stony Plain has some excellent ball players returning this semester and two excellent players coming off the injury list. The Warrior coach is not predicting the outcome of this game but he is looking to some of the good grade ten rookies to come up big in this one.

One feeling is that it will be nice to be playing at home having played 11 of their present 15

games on the road. Good student support can make the difference between victory and defeat in big games like the next two Warrior home games as Frank Maddock High School battles to win their second straight Western Conference championship in as many years.

For real exciting basketball see you at the Frank Maddock High School this Friday. The Warriors game is at 7:30 and the Warriors at 9:00. The Warriors will be travelling to Edson this Sunday along with the newly formed men's team managed and coached by John Oman. The men's club will be dressed in their new black and white uniforms and boasts of some pretty colorful talent. It is rumored that Ken Dusterhoft will be joining the team for this year.

It was learned this week that Gerald Dusterhoft became ill Sunday morning and will be out for the remainder of the season. This means the FMHS Warriors are really going to be up against the next few weeks.

BUCK LAKE NEWS

Other members of the Pee Wee Hockey Team whose names were omitted last week were: Ricky Wasyk, Allan Barker and Russell Steeves.

Linda Siegel, the Buck Lake Snow Queen Candidate will be putting on a Supper and Dance at the Recreation Centre Friday, February 12, 1971. The supper begins at 5:30 - 8:00, and the dance at 9:30. The Oiltones are providing the music. Come on everyone, and support your local candidate.

By the way, the Snow Queen Ball will be held at Winfield School Friday, March 12th.

Mrs. Leon Brzus spent a few days in Rimbey Hospital, but was discharged on Saturday. Best wishes for your recovery, Mrs. Brzus.

Cecil Barker and Norman Inglis have gone to work in the Fox Creek area. Cecil took his cat up to do some work there.

Mr. and Mrs. Platz (Cecil and Bertha) were out from Edmonton on Tuesday, to visit at her brothers' Sig and LeOpal Larsson and family.

Einar Larsson was moved from the General Hospital in Wetaskwin to the Auxiliary Hospital there. Raymond has been staying with his Uncle and Aunt Sig and LeOpal Larsson.

At Buck Lake for the weekend were Wally and Sandy Glenn and son, of Edmonton; Andy and Mary Williams and son; and Patsy and Arvid Kellgren of Drayton Valley.

Visitors to Wetaskwin on Friday were Ken and Mrs. Odegaard who brought the children out for the weekend. They went in Saturday morning as Rodney was playing hockey. Betty Bouck looked after the station Friday afternoon and Saturday morning.

Ken, Judy and Tony Macdonald of Buck Creek were out for the Ladies' Bonspiel Saturday and Sunday, the 23rd and 24th, as Judy was curling in the 'spiel.

A Ladies' Bonspiel was held at the Buck Lake Curling Rink Saturday and Sunday, January 23rd and 24th with 15 teams competing.

A Pot Luck Supper was held Saturday night for the curlers and their families. A complete list of the prize winners will be in the

next issue, as it is unavailable at the time of writing. Everyone received an inexpensive prize, as this was a "Fun Spiel" rather than a straight competition.

Tractor Club Holds Meeting

Sixth regular meeting of the Highway 16A 4-H Tractor Club was held on January 19th at the home of Mr. and Mrs. M. Bruner in Evansburg.

Cold weather forced cancellation of the hay ride on January 9 and it will be discussed again at the meeting on February 3rd. Byron Brown reported on the trip to Ice Capades.

The club achievement day will be held on May 8th and members were asked to bring suggestions regarding location of the achievement day to the next meeting.

Tractor controls were discussed during the evening which was brought to a close with a delicious lunch.

COUNTY OF PARKLAND No. 31

BY-LAW No. 41 - 70

A BY-LAW AUTHORIZING THE OPERATION OF SNOW VEHICLES ON PORTIONS OF CERTAIN ROADS OR HIGHWAYS PURSUANT TO THE PROVISIONS OF THE SNOW VEHICLES ACT

WHEREAS, pursuant to the provisions of Section 14(1) of the Snow Vehicles Act, being Chapter 100 of the Statutes of Alberta, 1969 with Amendments thereto, no person shall operate a snow vehicle:-

- on the roadway, parking lane or sidewalk portions of a highway, or
- on any portion of a highway between the time of sunset one day and the time of sunrise the next day.

AND WHEREAS, pursuant to the provisions of Section 14 (2) (b) of the aforesaid Statutes, the council of a municipality may by by-law, with respect to highways under its direction, control and management authorize persons to operate snow vehicles on any portion of any such highway or class thereof and may restrict the hours during which such operation may take place.

AND WHEREAS it has been deemed desirable to submit to a request by the Drayton Valley Snowmobile Club to allow the operation of snow vehicles on portions of certain highways for the purpose of getting to designated snowmobile areas, on a temporary trial basis.

NOW THEREFORE the Reeve and Councillors of the County of Parkland No. 31 in regular meeting duly assembled enact as follows:

IN THIS BY-LAW:

- "Snow Vehicle" means any power toboggan that is propelled or driven by its own engine power.
- "Highways" means those rural roads being under the direction, control and management of the County of Parkland No. 31, or its agents and workmen, designated by dark lines on the area map attached hereto and described as follows:

- The roads adjacent to the south boundary of the North-West Quarter of Section Seventeen (17) and all of Section Eighteen (18), Townships Forty Nine (49), Range Seven (7), West of the Fifth Meridian and Sections Thirteen (13), Fourteen (14), Fifteen (15) and Sixteen (16), Township Forty Nine (49), Range Eight (8), West of the Fifth Meridian.
- The road adjacent to the south boundary of Section Twenty Eight (28), Township Forty Nine (49), Range Seven (7), West of the Fifth Meridian.
- The roads adjacent to the west boundary of Sections Ten (10), Fifteen (15), Twenty Two (22) and Twenty Seven (27), Township Forty Nine (49), Range Seven (7), West of the Fifth Meridian.

- Any person being of the full age of fourteen (14) years or over, shall be permitted to operate a snow vehicle on any portion of the aforesaid highways excepting the "Crown" or travelled portion of the highways between the time of sunrise one day and one o'clock in the forenoon (1:00 A.M.) the next day.

- The provisions of this By-Law shall cease to be in effect at twelve o'clock midnight on Monday the Fifteenth day of February A.D., 1971.

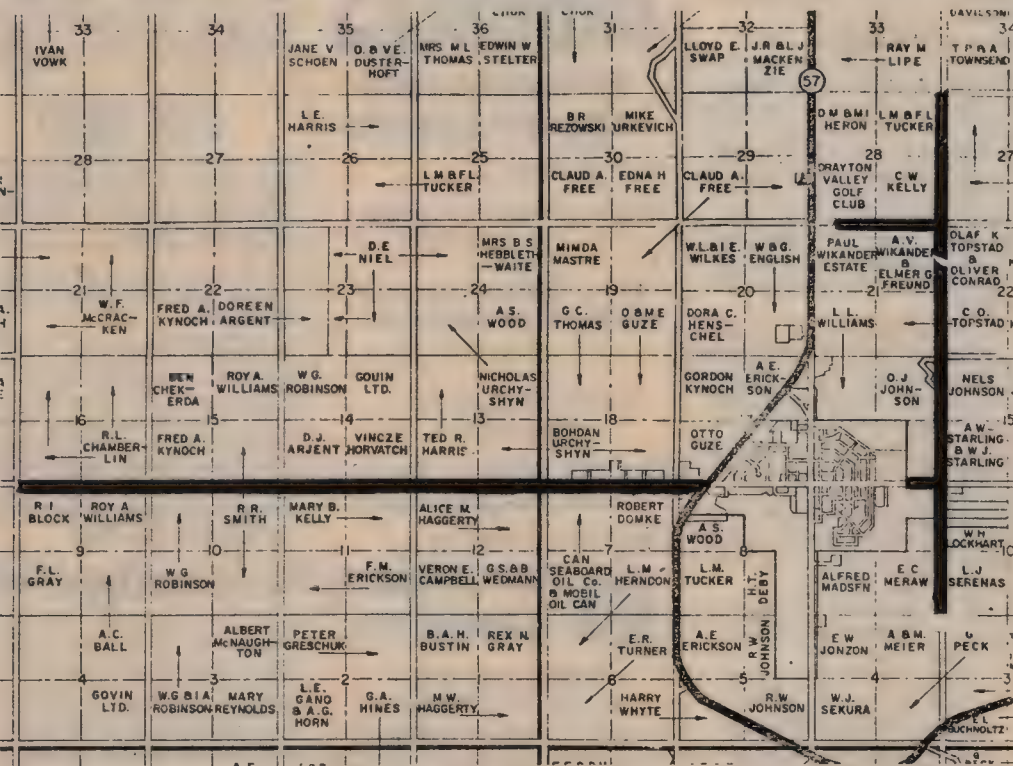

Read a first time this 28th day of December A.D., 1970.

Read a second time this 28th day of December A.D., 1970.

Read a third time and finally passed by unanimous consent of the Reeve and Councillors present this 28th day of December A.D., 1970.

PUBLIC NOTICE

BY-LAW No. 3

BY THE BOARD OF TRUSTEES OF THE DRAYTON VALLEY R.C.S. SCHOOL DISTRICT No. 111 OF THE PROVINCE OF ALBERTA

WHEREAS it is deemed expedient by the Board of Trustees of the Drayton Valley R.C.S. School District No. 111 of the Province of Alberta, that the sum of Seventy-five Thousand Dollars (\$75,000.00) should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine per cent (9%) per annum for the following purposes, namely:

- Erecting a Masonry, Steel and Concrete addition to the existing school building, namely, by new construction: three general classrooms, shower and dressing rooms; by reclassification; existing Principal's office to counselling area; by renovation: existing ancillary (music room) to Principal's office, Secretary and General Administration, Administration Principal's office to Staff Work Room area, \$60,000.00.
- Providing furnishings and equipment, \$5,000.00.
- Preparing site and landscaping, \$5,000.00.
- Professional fees and advertising, \$5,000.00.

THEREFORE, Notice is hereby given by the Board of said District that unless a poll of the electors of the said District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

LOCAL AUTHORITIES BOARD

IN THE MATTER OF "The Municipal Government Act":

AND IN THE MATTER OF "The Administrative Procedures Act":

AND IN THE MATTER OF an application by Lytle Beckett of Drayton Valley, Alberta, requesting an extension of the terms of Board Order No. 1441 dated August 18, 1964, as they relate to that part of the North East Quarter of Section Nine (9), Township Forty-nine (49), Range Seven (7), West of the Fifth Meridian contained within the limits of the Town of Drayton Valley.

Under date of November 19, 1970, Lytle Beckett of Drayton Valley, Alberta, applied to the Board for continuation of the Board's directions contained in Board Orders No. 1441, as amended by Order No. 3713, which provide that all of legal subdivisions Ten (10), Fifteen (15), and Sixteen (16) of Section Nine (9), Township Forty-nine (49), Range Seven (7), West of the Fifth Meridian situate within the limits of the Town of Drayton Valley, should for the years 1965 to 1970 inclusive, be assessed and taxed on the same basis of assessment and taxation as would be applicable to them had such lands and farm buildings remained in (former Improvement District No. 77)-now the County of Parkland No. 31;

The Town of Drayton Valley by Resolution No. 3 passed on October 22, 1970, approved of the granting of the aforementioned application for the year 1971;

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting the petition for such term and on such conditions as the board may decide and you are hereby notified that if you wish to make any representation in this regard, you may, on or before Thursday, the 18th day of February, 1971, file such written representation with the Board.

In the event that a valid representation thereon is filed as noted, the Board will set a date for a public hearing of the matter before making a decision thereon. If no valid representation thereon is filed with the Board by February 18th, 1971, the Board will forthwith proceed to decide the matter of the application on the basis of the evidence it has and without public hearing.

THE HOMEMAKER

By Mrs. Georgianna McDavid

I've received many phone calls recently about brown spots forming on clothes after laundering. What are they from and what can I do about them is an echoing question. The spots or "rust marks" are caused by iron in our local hard water. In severe cases a mechanical iron filter installed in a home water supply system is the only prevention.

PREVENTIVE MEDICE

1. mechanical iron filter.
2. Calgon -- a non-precipitating softener can often prevent rust stains.

BLEACH

Never use chlorine bleach in water with significant iron. The entire wash turns yellowish, with predominant rust marks. This yellowing of wash is also puzzling so if yours is getting yellowish from using a chlorine bleach switch to an oxygen or perborate bleach.

CARD OF THANKS

We would like to express our sincere thanks to all those who helped during our bereavement in the loss of our wife and mother, Mrs. Edith Swap.

Special thanks to Rev. Dale Mohr, the staff of the Drayton Valley Municipal Hospital, Dr. Lewis, Mr. Arthur Durham, those who acted as pallbearers, Braidnor Construction, the County of Parkland Police and the ladies who helped prepare lunch. Frank Swap, Barry, Frankie and Randy.

THANK YOU

Many thanks to our friends and neighbors for the house warming given us on Saturday. Also to Jean and Noel Hallett, Dolly Hines and Vern Bartlett for supplying the music. Your thoughtfulness was much appreciated. Bill and Irene Robinson

To all persons concerned with organizing Minor Hockey Week in Drayton Valley, the Alder Flats Pee Wee and Bantam Hockey players and coaches and parents wish to take this opportunity to thank you for giving us the opportunity of participating in this event and also for your good hospitality.

OIL AND GAS CONSERVATION BOARD APPLICATION No. 5352 NOTICE BIGORAY FIELD

TAKE NOTICE that, unless objection by a person having a bona fide interest in the matter is filed on or before February 22, 1971, with the undersigned and with the applicant at its address set out below, the Board may grant an application by Amoco Canada Petroleum Company Ltd. for approval of a scheme to construct and operate a gas processing plant to be located in Legal Subdivision 6, Section 28, Township 51, Range 8, West of the 5th Meridian. The plant would be operated up to a maximum raw gas capacity of 13.3 million cubic feet per day which would result in the production of 12.4 million cubic feet per day of residue gas and approximately 80 barrels per day of stabilized pentanes plus. A maximum of 2.3 long tons per day of sulphur would be emitted to the atmosphere as sulphur dioxide. If the application is granted the Board would require that emission to the atmosphere occur through a flare stack 150 feet in height.

Copies of the application and information and particulars filed in support thereof may be obtained by interested persons from Amoco Canada Petroleum Company Ltd., 444-7 Avenue S.W., Calgary 2, Alberta.

DATED at the City of Calgary, in the Province of Alberta, this 28th day of January, A.D. 1971.

LAUNDRY TIPS

Never use chlorine bleach with other household cleaners containing ammonia or rust removers. A poisonous gas is released.

Do Not Use chlorine bleach with an enzyme detergent or an enzyme presoaker because it inactivates the enzymes.

FABRIC SOFTENERS

Designed to reduce static electricity and make fabrics softer, should NEVER be added with detergent because the action of both detergent and softener is reduced. Remove only stains from permanent press fabrics by rubbing liquid dish detergent into stain, soak in pre-soaking agent and wash as usual. Hair shampoo also works on areas like collars and cuffs.

If you have any more questions we have an excellent publication "Guide to Home Laundry" which you can write for. Write to box 510, Stony Plain.

Guides Given Grooming Advice

The Drayton Valley Girl Guides enjoyed a talk on personal grooming given by Mrs. Poloway, an Avon representative. The Guides would like to thank Mrs. Poloway.

The girls have been working on decoupage pictures that illustrate a Girl Guide thought.

Mrs. McKillop is going to give the girls a course in Home Nursing at her home. The Guides will get their Home Nurse Badge when they have finished the course.

RESIDENT HOSPITALIZED

Get well wishes are extended to Mr. Les Brown who is a patient in the Royal Alex hospital.

AGRICULTURAL COMMITTEE NEWS COUNTY OF PARKLAND No. 31

Have You Treated Cattle For Warbles?

This is a question asked to the cattle owners, who did not treat their cattle for the control of the pesty Warble Fly. Progressive livestock men throughout the County of Parkland have been responsible for the formation of establishing a compulsory warble fly control area.

By-Law No. 17-70 was published in the Stony Plain Reporter and The Western Review on August 20, 1970. Good response in treating their cattle was shown by a large amount of cattle owners; but we have some owners, who did not co-operate in doing so. These owners are not interested in preventing the buzzing fly from causing their cattle to stamper or spend many hours of the day in the shade instead of feeding in the pasture with the resultant loss of milk and flesh.

Cattle owners who have forgotten, or ignored to treat their cattle and now are contemplating in doing so this coming spring are most welcome to visit this office or give us a phone call in regards of using the right Pesticide. A good supply of Rotonone is on hand and can be purchased at cost from this office. Remember, if you have your cattle sprayed it will be an asset to both yourself and your Community and success controlling the warble fly depends on the co-operation of cattle owners in this County.

Part seven of the By-Law reads: A person or persons, who contravenes this By-Law is guilty of an offence and liable to summary conviction as set out in Section 25 of the Agricultural Pest Act 1960.
